# ProMate 6.5-DMT

WATER SOFTENING WITH TANNIN REDUCTION

#### One system with dual solutions

The ProMate 6.5 dual media technology system (DMT) with tannin resin improves the color and odor of your water and removes hardness. Process so nice, we do it twice.

## System features

- Corrosion-resistant control valve, body and tanks for a longer life
- Easy-to-read, back-lit display with customizable settings
- Full-flow bypass valve for the convenience of bypassing the water softener
- Variable reserve that automatically adjusts to changing water usage

### Benefits of ProMate 6.5 DMT System

- Softer, itch-free skin and more manageable hair
- Better lathering detergent, shampoo and soap
- Brighter, softer towels and clothing
- Spotless dishes and glasses
- Cleaner fixtures and stain-free sinks, tubs and showers
- Longer lasting water-based appliances and fixtures
